

EMTA Forum: The Economic and Political Outlook for Latin America in London

May 5, 2026

~~~~~

### **TOMAS TAGLE (Moderator)** **Bull Market**

Tomás Tagle is an economist, MSc Finance, and currently Head of Strategy at Bull Market Brokers.

He has previously worked as Senior Economist at Empiria Consultores, Portfolio Manager at Petrini Valores and in the corporate finance team at Naranja X (Grupo Financiero Galicia)

### **EDWIN GUTIERREZ** **Aberdeen**

Edwin Gutierrez is the Head of Emerging Market Sovereign Debt. Edwin joined Aberdeen via the acquisition of Deutsche Asset Management's London and Philadelphia fixed income businesses in 2005, where he held the same role since joining Deutsche in 2000. Edwin joined Deutsche Asset Management from Invesco Asset Management where he was an emerging debt portfolio manager. Prior to that, Edwin was a Latin American economist at LGT Asset Management.

Edwin graduated with an MS from the School of Foreign Service at Georgetown University and BA in Political Economy from the University of California, Berkeley.

### **PASQUALE DIANA** **Finisterre Capital**

Pasquale joined Principal Finisterre in January 2023 as a Senior Macro Economist, with over 20 years of relevant experience in the markets.

Prior to joining Principal Finisterre, he was Head of Macro Research at AcomeA, a Milan-based independent asset manager, with a focus on global emerging markets. Between 2006 and 2019, Pasquale worked in London for Morgan Stanley, where he had several roles, most recently Head of CEEMEA Economics.

(continued) 

Prior to this, he had started his career in economics research at JP Morgan, covering several countries both in Western Europe and Emerging Europe between 2000 and 2006.

Pasquale graduated from the London School of Economics (LSE), where he obtained a BSc in Economics in 1999 and an MSc in Economics in 2000.

**MARTIN SOLER**  
**HSBC Global Asset Management**

Martin Soler is the Head of Emerging Market Sovereign Research at HSBC Global Asset Management. In his role Martin is responsible for covering emerging market sovereign credit for hard currency strategies as well as supporting local currency strategies with inflation and monetary policy analysis.

Before joining HSBC in 2017 Martin worked in the Markets Group at the Federal Reserve Bank of New York where he was a member of the bank's currency desk. Martin has also worked as an economist at Moody's where he was responsible for coverage of several Latin American economies.

Martin holds a BA in economics and political science from Temple University and master's degree in economics and international relations from Johns Hopkins University.

**GRAHAM STOCK**  
**RBC BlueBay Asset Management**

Graham joined RBC BlueBay Asset Management in September 2013 to lead the sovereign EM research team. He is a Managing Director and takes particular responsibility for the Latin America region.

Prior to joining BlueBay, Graham spent three years as Chief Strategist at Insparo Asset Management, having previously worked at JPMorgan Chase for 12 years in a variety of sell-side research roles in New York and London.

Graham's professional engagement with emerging markets started in 1992, when he took up a post as economist with the government of Papua New Guinea and developed further with three years at the Economist Intelligence Unit before joining JPMorgan Chase in 1998. Since 2020, Graham has been co-chair of the Investor Policy Dialogue on Deforestation, and he was recently appointed to the PRI's Global Advisory Committee for Collaborative Sovereign Engagement on Climate Change.
